

Skeleton Gala

As pillars in the Williamson County community for more than 40 years, physicians and staff of Bone and Joint Institute of Tennessee are involved in numerous charitable and community events. Through our partnership with Williamson Medical Center Foundation, a 501(c)3 organization, we will continue participating in activities that sustain our values including empathy, compassion, faith in healing, and service to the community.

Our inaugural 2022 event, The Skeleton Gala, will be held at Liberty Hall in The Factory on Saturday, October 29. This will be a black-tie event filled with fun, entertainment and dancing.

Event proceeds will support the Bone and Joint Institute Fund of the Williamson Medical Center Foundation. The fund supports several community and foundation initiatives, including the annual Craig Ferrell Memorial Scholarship, benefiting graduating high school seniors in Williamson County who will be pursuing a degree in health sciences.

We would be honored by your consideration of a sponsorship for the Skelton Gala. Additional details and event information are attached.

Sincerely,

Bone and Joint Institute of Tennessee
