

Physiatry Injection Cancellation/No Show Policy

Thank you for trusting your medical care to Bone and Joint Institute of Tennessee. For more than 7 years, patients in Middle Tennessee and surrounding states, have placed their trust in us for specialized orthopaedic care.

About Cancellations and Rescheduling

When you schedule an injection procedure, we set aside enough time to provide you with the highest quality care. Should you need to cancel or reschedule an appointment, please contact office no later than 24 hours before your appointment. This allows us time to schedule other patients waiting for an appointment.

Please see our Appointment Cancellation/No Show Policy below:

In-Office Pain Injection Procedure: \$50

The fee is charged to the patient, not the insurance company, and is due prior to rescheduling of the procedure. As a courtesy, you can opt-in to receive text messages and/or emails as a reminder of your upcoming appointment. If you do not receive a reminder call or message, the above Policy will remain in effect. We understand there may be times when an unforeseen emergency occurs, and you may be unable to keep your scheduled appointment. If you should experience extenuating circumstances, please contact our office as soon as possible to make us aware of the situation.
